

# Will County Humane Society

Will County's oldest No-Kill animal shelter

## Do you have a service project or other commitment which requires under 25 hours of volunteer hours?

### You can use this opportunity to help your local animals at the Will County Humane Society!

You (and your friends and family) can use these hours to collect funds for the Will County Humane Society at local businesses. These funds help animals in the shelter's care by providing food, warmth, water, and much more.

All you have to do is:

- Contact a local business willing to host a 'tag day' at their facility.
- Schedule a time to collect for the Will County Humane Society at that business.
- Attend your scheduled time at the business and collect for animal care.

The average collection from (1) 4 hour period at a business is \$100. If you need signature of completion of hours- All you have to do is return your completed log sheet to a Will County Humane Society Representative along with your collected donation of \$100 and a Will County Humane Representative will approve your log sheet.

There is no limit to the amount of times you can complete this fundraiser to get all of your hours fulfilled!
