### Surrender Fee

To have your pet considered for the Will County Humane Society adoption program, please complete the admissions application and submit along with current vet records. *NOTE: Proof of recent Feline AIDS and Leukemia Test (approx. \$42) is required for all cats to be considered for intake. Person surrendering pays the cost.*

Once submitted, we will contact you about next steps, which will include a meeting with our Admissions team and your pet, looking at medical records and evaluating behavior. **Please Note: We do not accept drop offs.**

### Surrender Fee

We ask that families giving up their pets provide a Surrender Fee to help cover the cost of caring for, treating and finding a quality home for your pet. Surrender Fees are;

- \$100 per dog
- \$50 per cat

Each pet we save costs an average of \$500 over our adoption fee per year in vet costs, food, and shelter. So Surrender Fees only cover a small part of the cost of taking in your pet. We would greatly appreciate additional financial consideration you could provide that could cover both the one time and annual costs of veterinary care outlined below.
